Special Dedication

The 1982-83 edition of *The Indian* is dedicated to a person who is determined to make the best of everything she does. She has a special place in her heart for our school because she was a student here for quite some time. Her high standards and love for people help her succeed in her many undertakings. While at Negreet, although some days were tough, she always had a big smile to warm the hearts of everyone she came in contact with. She graduated from Negreet High School in 1965 and later received her Bachelor of Arts degree from Northwestern State University in Mathematics Education. She then returned to Negreet as the high school math teacher, 4-H sponsor, and yearbook advisor. Although she is no longer a part of the faculty at Negreet, she is now hard at work at the Sabine Parish School Board Central Office helping schools all over the parish while serving as curriculum supervisor. For being a special part of our school and our lives, and to show our appreciation for her love and strength of character, we, the *Indian* Staff are proud to dedicate the 1983 Indian to:

Mrs. Roma Rose Veuleman

Indian Staff

In 1997, Laura Alford will be a basketball player for the famous Pineville Bandits.

Mike Pace will become the first basketball player to successfully dunk 5 consecutive times in a professional basketball game in 1999.

The 1982-83 Newspaper Staff of NHS will be printing the *Wall Street Journal* in 1998.

In 1991, the *Indian Staff* sees Coach Meshell as the owner of the *Tootie Rolls Industries, Inc.* in Chicago.

Donald Wayne Rogers will be a competitor in the 1994 Mr. Universe Pageant.

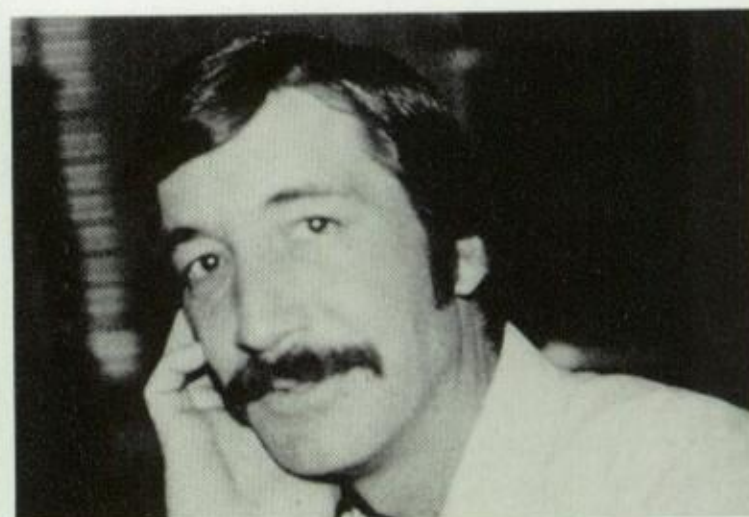

In 1994, Mrs. Roma Veuleman will be elected State Superintendent of Education for Louisiana.

Mrs. Betty Oxley will become the editor of *The National Enquirer*, *The Star*, and will be in the process of buying out *Soap Opera Digest* in 1995.

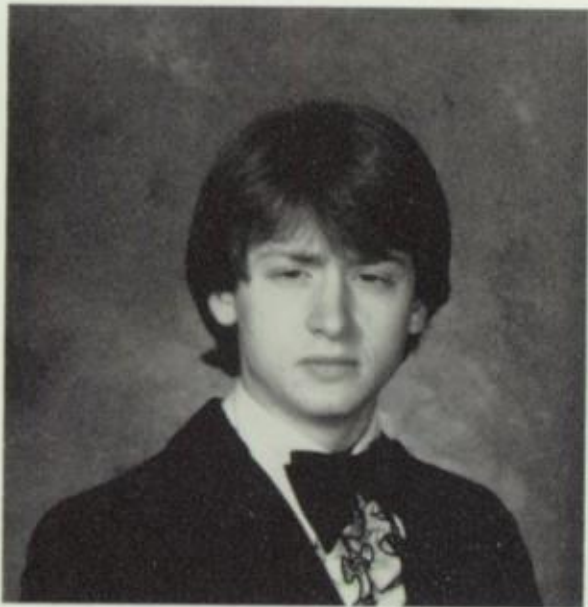

1992 finds Donald Gasaway and Jay Leggett doing janitorial work for the Sabine Parish Courthouse.

1996 finds Mr. Dan Leslie confined to riding wheel-chairs instead of bulls.

Predicts the 1990's

In 1992 the Indian Staff sees Doc Anthony being the head of the NASA Computer Center.

In 1996 we see Mr. Dan Salter still buying two trucks a year, except that he buys one for his use and one for his wife and 6 children.

The editor of the Yearbook predicts that in 1990 Mike Pitt and Richard Tarpley will still be carrying on their "young boy ways."

In 1997, we predict that Natalie self will be doing undercover photographing for the FBI, as well as serving as head of all darkroom operations.

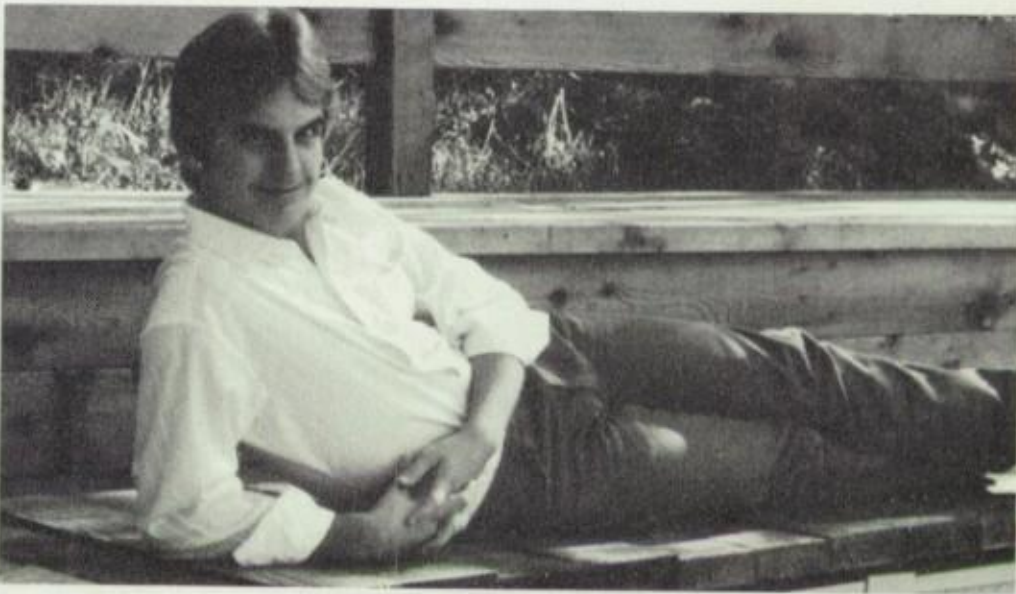

The Indian Staff sees Mrs. Christine Tarpley receiving the Betty Crocker Award in 1991.

1999, predicts that Mr. Ted Francis will still be saluting the students and watching the NHS halls during the ballgames.

We see Brent McMillian in 1996 as the multi-millionaire owner of a famous cattle ranch in Dallas.

Because of his love for yearbooks, in 1995, we see Kent Fryar as the owner of Taylor Publishing Co. producing thousands of yearbooks a year.

Negreet High School

PHONE 318-256-2349 NEGREET, LOUISIANA 71460

Now that the school year is just about over, I would like to say "It's been great!" There were so many times when we thought we would never make it; but WE DID.

Being a part of the *Indian Staff* has really been an outstanding achievement for me. Producing a yearbook takes lots of patience and demands an ability to get along with the other staff members. I'll have to say we almost lost our patience several times, but we always kept the ability to get along with each other.

The memories of this yearbook will always linger in my mind. I hope that they will also linger in yours.

Trying to cope with some of the habits of the staff members was an experience in itself. There was Kent Fryar who always kept our attention off our work; Laura Alford eating in class; and Natalie Self misplacing or losing everything. Rob Alleman was usually quiet, but he did have his days of nothing but mouth and laughs. Mike Pace never seemed to understand the instructions given by Miss LeDuff. But, as a whole, the 1982-83 *Indian Staff* members were the most exciting of all my four years. So, let me say "Thanks," and "I really love you all!"

Miss LeDuff really put up with a lot. Besides being our sponsor, she was also our friend. You should have seen her on the days when our deadlines came due. They were nerve-racking! She would get so excited. (I guess that was what it was.) "Rob do this. Kent you did this wrong. Mike, I said five pages not four. Bettina how much money do we have?" She was over-anxious and sometimes worried about getting everything done on time. But, she enjoyed our company and we certainly enjoyed hers.

Let me close by saying that I hope everyone gets a chance to be as happy as I am and that you won't ever forget all the good things in life.

Sincerely,

Leslie Rash

The 1982-83 *Indian Staff* would like to thank the following people for donating pictures for the yearbook: Mrs. Donna Savell, Mrs. Vickie Cheatwood, Mr. Dan Salter, Lisa Ebarb, NHS Photography Club, and Mrs. Billie Sepulvado. The staff would also like to thank the following for their assistance in producing this book: Mr. and Mrs. Conrad Cathey, Mr. and Mrs. Tommy Faccio, Mr. Dan Salter, Mr. Lambert Peterson, the NHS Faculty, and Mrs. Billie Sepulvado.

To my sweetheart,

I wished I'd have went to school with you, I know I'd have fallen in love with you like I am now. I hope we can spend the rest of our lives together and grow old together. You are what I've hoped for all my life, and I'm never gonna give you up for anything in the world. You have made me happy by being yourself and treating me like I'm someone special. I hope I've made you happy during our time together, and I want you to be with me when I make it big someday. I know your life hasn't been the greatest in the world, but I hope we can create a good life together. I'm trying to think of something else to say, but I think my actions will speak louder than my words (if you know what I mean.)
